Honors Assembly for Monday

The annual honors assembly will be held at 8 p. m. Monday in the Administration Building Auditorium.

Following the invocation, to be given by Dr. Irene Mueller, R. Dieterich, Department of Education, will deliver the address entitled "What Price Education?"

President Robert P. Foster will make the presentation of awards at the assembly.

Members of the faculty committee for the assembly include Mabel Cook, chairman; Vida E. Dunabr, Dr. Irene Mueller, Mrs. Elaine Gray, Dr. Billy D. Scott, and R. Saucerman, and Pelee.

Miss Kay Vulgamott will present an organ prelude and post-

tion, run entirely by students and for students.

As in past years, college representatives from the entire state last weekend took over the State Capitol chambers in Jefferson City for three days and were educated in the legislative processes by serving as legislators.

After the group assembled, it was divided into a Senate and House. During the year the students had drafted bills which were presented at the 3-day session. They engaged in debate over the bills, first in committees, then on the floor of each house, before casting their votes.

Each of the political parties caucused and nominated candidates for governor and lieutenant governor. Then after a joint assembly of all delegates, they proceeded with the balloting.

The newly elected governor presented the inaugural address and appointed all necessary officers for the functioning of the mock government.

The MISL governor works throughout the year planning the next year's session. During the session he signs or vetoes bills, makes appointments, and performs other executive tasks.

Because of the large number of students who wish to participate in MISL pre-MISL district conventions are set up in different areas throughout the state to choose delegates, Phoenix reported. There are seven districts with an elected chairman who decides the time and place of the convention. This permits wide participation by interested students.

Breakfast to Open Senior Activities

The traditional Senior Breakfast will begin Commencement week activities for spring graduates scheduled for May 25, 26.

The breakfast will begin at 8:30 a. m. Thursday at the Union. Immediately following the breakfast, practice for Commencement will be held at the Lamkin Gymnasium. Graduates will assemble on the north-south walk between Martindale Gymnasium and the School not later than 7 p. m. before the Commencement program.

Dr. Charles Thate, dean of administration, has urged graduates to contact Dean Charles E. Koerble, if they have questions about caps and gowns. He also stated that commencement announcements may be obtained from the Business Office.

Women Students Receive Honors

Five major awards were given to outstanding students in home economics May 4 at the annual honors assembly of the department.

Louise Helzer received the Marie Huff Freshman Scholarship Award, and Juliana Faulstich received the Betty Seeley Martin Junior Scholarship. Karen Brady was named as an alternate.

The Hotchkin Senior Award went to Linda Van Fosson, the Stokeley - Van Camp Award to Judy Clymens, and the Kappa Omicron Phi Senior Award to Melanie Eisiminger Rawlins.

Dr. Leon F. Miller, dean of instruction, was in charge of presentation. Those home economics students who were named to the Dean's Honor Roll and the 1966-67 Honor Society initiates also received recognition, according to a report from Miss Mabel Cook, department chairman.

The next major event for the Home Economics Department will be the clothing section's annual style show "Fashion Magic," which will be given free to the public at 8 p. m. Wednesday in the Charles Johnson Theater.

Dramatists to Present All-Student Programs

Just Married!

Newlyweds Richard Heinz and Mary Beth McKinney are enacting their roles in "Here We Are," directed by Phil Reser. (Other pictures on page 5).

Climax for student play direction will come Wednesday and Thursday as seven casts present one-act plays at public performances.

The plays, *Aria Da Capo*, *Overtones*, *No Exit*, *The Twelve-Pound Look*, *Here We Are*, *Impromptu* and *Release*, will be presented in the Little Theater. Three plays will be given at 4 p. m. and at 8 p. m. Wednesday. The others will be presented at those times the following day.

Play production and public speaking majors enrolled in Speech 162, directing, and Speech 62, fundamentals of acting, are required to direct and act in a one-act play, respectively.

Students taking directing this semester are Linda Brinton, Ellsworth, Iowa; Cheryl Rein-

cke, Park Hill; Phil Reser, Independence; Tom O'Conner, St. Joseph; Tom LaVill, Mason City, Iowa, and Harold Webb, Ortonville, Mich. Gail Bullis, Des Moines, is directing one of the plays to fulfill her drama practicum requirement.

Miss Reineke is directing *Aria Da Capo* by Edna St. Vincent Millay. Her cast includes Tom LaVill, Mary Jo Jansen, Ron Bath, Cliff Cromer, and Loring Miller. Linda Brinton, the director of *Release*, has cast Gail Bullis, Ruth Martin, John Hoffman, and Bill Cukar in her play.

Richard Heinz and Mary Beth McKinney have been cast as the newlyweds in *Here We Are* by Dorothy Parker. Reser is their director. *No Exit*, John Paul Sartre, is LaVill's play. Marcia Hensleigh and Cheryl Reineke constitute his cast.

Miss Bullis has cast Margaret Price, Terry Lutz, Marjorie Hitchcock, and Lindell Sharp in Alice Gerstenberg's *Overtones*. O'Conner is the director of *Impromptu* by Tad Mose. His cast includes Carole Sinclair, Rollie Stadlman, Miss Brinton, and Scott Hodgins.

Linda Hornaday and Jerry Eisenhour are acting in the *Twelve-Pound Look*, by James M. Barrie, directed by Webb.

Dr. Ralph Fulsom, chairman of the Department of Speech and Drama, is the professor for both the acting and directing course.

Dr. Foster Announces Grant For Library Improvement

Dr. Robert P. Foster, NWMSC president, recently announced that Wells Library will be improved and air conditioned by next fall.

The president stated that Congressman W. R. Hull Jr. informed him on May 5 that the Office of Education of the Health, Education and Welfare Department has approved a grant of \$143,000 for NWMSC library improvements. This figure represents a 50 per cent

grant of a previous \$286,000 allocation allowed by the State of Missouri during the last Assembly.

The money will be used to air condition the library, install new stacks for books, install elevators to raise books from lower stacks to the library proper and for new furniture and equipment.

Completion of the improvements is expected by September or early October.

Beverly Beeks to Edit 1968 Tower

Miss Beverly Beeks has been named editor of the 1968 Tower by Howard Ringgold, yearbook adviser.

Miss Beeks served as staff assistant on the 1967 Tower. In another phase of her journalism career, she has been copy editor on the Northwest Missourian the past year and will serve as a co-editor of the paper this summer. Majoring in English with specialization in journalism, she will be the first NWMSC student to graduate under the newly instituted program which is planned to help graduates meet new state requirements for teaching high school journalism.

At Maryville High School, Miss Beeks was a co-managing editor of the Maryvillian which was rated Special Excellent in state competition. She also received a first place writing award in the state contests.

The Tower staff has an office now located on the first floor of the Union.

Beverly Beeks, Tower editor

Seniors Honored at Kappa Omicron Phi Fun Night

Seniors received special recognition last week at the Kappa Omicron Phi Home Economics Honorary Fraternity senior party. Mrs. Dale Taliaferro, national president and alumna of the Alpha Chapter, was a special guest.

Shown enjoying refreshments in the

event's "Roaring Twenties" atmosphere at "Harold's" are, left to right: Judy LaMar, Rosalee West, Shirley Lager, Kathy Johnson, Joyce Linville Kelley, Janet Wyman, Kay O'Dell, Shirley Mabary, and Linda Van Fossom.

Danforth Fellowship Grants Available to 1968 Graduates

Any student who will be graduating next year is urged to talk with James R. Saucerman about the Danforth Graduate Fellowships for the 1968-69 school year.

Fellowships, offered by the Danforth Foundation of St. Louis, are available to men and women who have serious interest in college teaching as a career, and who plan to study for a Ph.D. in a field common to the undergraduate major. Applicants may be single or married, must be less than thirty years of age at the time of application, and may not have undertaken any graduate or professional study beyond the baccalaureate.

Danforth Graduate Fellows are eligible for four years of financial assistance, with a maximum annual living stipend of \$2400 for single Fellows and \$2950 for married Fellows, plus tuition and fees. Dependency allowances are available. Financial need is not a condition for consideration.

Special attention is given to three areas in considering candidates for Fellowships:

1. Evidence of intellectual power which is flexible and of wide range; of academic achievement which is a thorough foundation of graduate study.

2. Evidence of personal characteristics which are likely to

contribute to effective teaching and to constructive relationships with students.

3. Evidence of concerns which range beyond self-interest and narrow perspective and which take seriously the questions with which religious expressions attempt to deal.

All interested students should contact Mr. Saucerman before May 19 in Room 205 of Colden Hall.

Beta Beta Beta Group Initiates New Members

Beta Beta Beta, honorary biology fraternity recently held its semi-annual initiation of new members.

Those accepted as full members were Sharon Nelson, Bolckow; Robert Paolillo, St. Joseph; Larry Pratt, Maryville, and Dixie Tuttle, Breckenridge. New provisional members include Amy Bradfield, Fairfax; Robert Brunner, Maysville; Nancy Duncan, Fillmore; Jeanette Prescher, Agency, and Harriet Walden, Independence.

Officers elected at the initiation are Larry Watkins, president; Kenneth Baker, vice president; Judy Holtz, secretary, and Sharon Nelson, historian.

The last meeting of the year will be held Wednesday, with Landis Hinesley presenting a report on his research. A picnic with the biology faculty will follow the report.

Seniors Learn Requirements For Having Key Privileges

Joyce Cushing, chairman of the senior key committee, presided over a May 4 orientation program aimed at acquainting interested seniors with the senior key system.

Eligibility requirements were discussed at length along with procedure, infractions, and disciplinary action. Miss Karen Licklider, dean of women, was present to help clarify and explain all facets of the pilot program.

Each applicant will be reviewed individually to insure eligibility on the basis of academic hours, overall grade average, and past performance. A required ten dollar deposit will be returned at the end of the year providing the keyholder has maintained proper use of the key.

Seniors granted the privilege must check out the key with the Residence Hall director or approved householder by 8 p. m. A signout slip similar to those now in use will be maintained. The key must be returned upon entering the Residence Hall and not later than 8 a. m. the day after it has been checked out.

The key is for extended

hours only. Permission overnights must be obtained through the regular procedure.

Possible disciplinary may result in the suspension of the entire key system privilege is misused.

Applications were available to all students present with an explanatory letter addressed to the parents regarding any advice or suggestion in regard to the program. Volunteers were requested steering committee for year.

Another orientation program is scheduled for the fall to accommodate those eligible seniors unable to attend the session.

Missourian Staff Plans Dinner

The Northwest Missourian staff will hold its annual appreciation dinner meeting 6 p. m. Monday at the Colonial Inn.

Peggy Herron and F. Beavers are in charge of arrangements for the event. Following the dinner, the group will attend the Honors Assembly.

Speech Instructor Gets Grant To Work in Summer Theater

Rod Wilson, NWMSC speech instructor and assistant production director of Carousel, has received a scholarship to attend the 1967 Summer Music Theater Stock Company, Southern Illinois University, Carbondale.

Mr. Wilson, who had an audition the first of March, will receive 10 hours of graduate credit for performance and instruction in a Broadway musical repertoire. He is one of the 12 men who will constitute the chorus for Kiss, Me Kate, Carousel, On the Town, and Carnival.

Casts for the musicals will be selected the first two weeks of the workshop.

Besides having production rehearsals in the morning, evening, and early afternoon, the stock company personnel will attend classes in dance, body movement, makeup, and acting. Directors for the plays are from colleges and universities throughout the country.

Mr. Wilson directed the children's theater production of Snow Queen here last semester, and had previously directed five musicals, including My Fair Lady and Calamity Jane.

The musician-actor-director was graduated from North High School, Des Moines; Northern Iowa University, Cedar Falls, and Kansas State University, Manhattan. He has attended the University of Iowa and the University of Colorado.

UCCF-Wesley to Hold Annual Spring Picnic

The UCCF - Wesley Fellowship will hold its annual spring picnic at 5:30 p. m. Sunday evening at El Rancho del Rio.

There will be canoe jousting, baseball, and other activities. All those who plan to attend should meet at the Wesley Foundation at 5:30 p. m., according to Linda Hornaday, program chairman.

Coed, Teacher Elected To MAPHER Offices

Mrs. Carole Akers and Jerry Landwer were elected to official positions at the recent meeting of the Missouri Association of Health, Physical Education, and Recreation at Warrensburg.

Mrs. Akers was elected vice president of the student section of MAPHER, and Coach Landwer was elected president of the men's athletic section. In addition, Miss Bonnie Magill, Mrs. Dorothy Walker, and Miss Jean Loveland met with representatives of the Lifetime Sports Foundation to discuss a fall workshop to train instructors in bowling, archery, golf, tennis, and fencing.

Mrs. Barbara Bernard, Mrs. Janet Moss, and several coeds also attended the meeting.

Linda Sams to Head People-to-People

Linda Sams, Excelsior Springs, was chosen recently to head People-to-People.

Other officers include Pat Schrader, vice president; Ann Lauber, corresponding secretary, and Judy Clark, secretary-treasurer.

Since his high school years, Mr. Wilson has been cast in musicals, operas, and operettas. He has had lead roles in Pagliacci, The Student Prince, The Old Maid and the Thief, The King and I, Carousel, and South Pacific.

AAUP to Honor Scholars Tonight

The AAUP chapter of NWMSC will honor the four outstanding students from each class at a 6:30 p. m. banquet tonight in the Union.

The guest speaker at the banquet will be Dr. Sam Carpenter, chairman, Department of Chemistry. His topic is "College Honors Programs."

Luke Boone, president of the AAUP chapter, said names of the honorees will be available for publication next week.

Mary Potter Chosen Coed-of-the-Month

Mary Potter has been chosen Coed-of-the-Month by the Embers, a campus honorary Women's organization.

Miss Potter, a junior, majoring in English and minoring in Spanish, is a member of Sigma Sigma Sigma sorority and Kappa

Mary Potter

Delta Pi. She is president of AWS and treasurer of Alpha Mu Gamma.

Miss Potter was co-sports editor of the 1967 Tower staff and was Northwest Missouri State College's ambassador to Mexico last summer.

Faculty Briefs

Dr. James Lowe, social science professor, has been named territorial fund chairman for the American Red Cross.

Mrs. T. H. Eckert, Missourian adviser, was in Tulsa, Okla., last weekend where she presided as governor at the annual conference of the seven-state South Central Region of Soroptimist Clubs.

John Ed Fuhrman, field services, was elected chairman of District I Citizens Vocational Rehabilitation Council at an organizational meeting last week.

Senior Women To Get Keys

Senior Key Chairman Joyce Cushing and Miss Karen Linder, dean of women, recently directed the program in giving approximately 190 of next year's senior women about new hours policy. (Story on page 2).

IE Offers Fulbright Awards For Students' Study Abroad

The Institute of International Education (IE) has announced its competition for 1968-69 United States Government graduate grants for academic study or research abroad will open officially May 1.

These scholarships, provided by the Fulbright-Hays Act as a part of the educational and cultural exchange program of the U. S. Department of State, allow more than 850 American graduate students an opportunity to study in any one of 54 participating countries.

The purpose of these awards is to help realize increased understanding between the people of the U. S. and other countries through an exchange of persons, knowledge, and skills. Persons wanting to apply must be U. S. citizens, have a bachelor's degree or its equivalent, and be proficient

in the language of the host country.

A full award will provide tuition, maintenance for one academic year in one country, round-trip transportation, health and accident insurance, and an incidental allowance. Preference is given to candidates who have not had prior opportunity for extended study or residence abroad and who are under the age of 35.

Application forms and information for students currently enrolled in NWMSC may be obtained from the campus Fulbright adviser, James Hurst, Social Science Department.

Summer Employment Available to Students

Northwest Missouri State College has been approved to receive \$74,955 in Federal funds to be applied to the work study program.

This summer, jobs will be available in the following Missouri towns; Ravanna, Hamilton, Stanberry, Oregon, Bethany, and Graham. Various jobs are available in each of these areas.

At Albany, city work and openings at the Diagnostic Clinic are available. The Family Guidance Center and the St. Joseph Hospital No. 2 also have openings.

In the Maryville area, jobs may be obtained at the following places: Mt. Alverno Academy, Public Library, Police Department, Cooperative Extension Service, Economic Opportunity Corporation, and Maryville R-II School. City work is also available.

For further information pertaining to jobs in these areas, interested students should contact Jerry Lewis in the business office.

Richard Salewicz Reported Better

Richard Salewicz, an Kappa Lambda pledge, was injured Apr. 3 when in the Administration Building Auditorium, is convalescing at St. Joseph's Hospital, St. Joseph.

He has had surgery to internal bleeding and compound wrist fracture. Salewicz, who is now walking with crutches, is expected to be home as soon as the effectiveness of the operations has been determined.

An AKL reporter stated the pledge is expected to return to school next semester.

Industrial Arts Stars To Enter State Meet

Twelve of the 299 projects entered in the Northwest Missouri District Industrial Arts awards contest held here last week have been certified for the state contest Saturday in Columbia.

Twenty-one schools were entered in the competition with West Nodaway R-I High School, Burlington Junction, selected as the school with the best overall entries and Maryville Senior High School selected number two. Walter J. Exceen is the industrial arts instructor at West Nodaway, and Herschel Nelson is the Maryville Senior High School teacher in this field.

Bob Linville, West Nodaway R-I High School, received the Judges' Award for his walnut chest cited as the outstanding entry.

Arrangements for the district event were made by Dr. LeRoy Crist, assistant professor in industrial arts at NWMSC.

To Attend NWMSC

Miss Dianne Moore, an honor graduate and valedictorian of the class of 1967 at Westboro R-4 High School, plans to enroll at Northwest Missouri State College next fall.

Eenie, Meanie, Minie, Moe

Dee Monach and Ronald Heitz feast their eyes on the thousands of books displayed last Friday in the Colden Hall Lounge. Students and faculty members swarmed into the room throughout the day and many carried off arm loads and boxes of books.

The Stroller heard one senior with problems bemoaning that he thought the percentage of persons being allowed to pass certain major tests has been raised from 3 to 5 per cent.

Overheard on campus this week, "I'm going to ace my finals so I can pass this semester."

Word is out that Minnie Mouse is now saving deformed pretzels for the rats in the psychology laboratory.

"This book is so dry the bookworms have to carry canteens," remarked a freshman ready for her summer vacation.

The Stroller was pleased that approximately 500 townspeople visited our campus during last Friday night's "Night on the Campus."

The Stroller has lost two friends (that's this week). If anyone knows Roy Carl Brown or his wife, Sue, 1939 graduates

of NWMSC, would he please write A. J. (Ike) Howell and tell him where they are. His address is Route 3, Box 412 D, Orlando, Florida. The Stroller does not wish to make Mr. Howell another lost friend.

Teacher, Student Make Bat Study

David A. Easterla, NWMSC biology instructor, and student Larry C. Watkins, a junior, are beginning their third year in a research project pertaining to bats and other animals.

The purpose of the bat study is to learn the kinds of bats in this area, their approximate number, and their roosting sites.

In addition, Mr. Easterla and Watkins are attempting to secure information about white-tailed jackrabbits and weasles. The two researchers believe that neither of the two animals presently exist in this area.

Any unusual snakes also would be appreciated for research purposes.

Alpha Psi Omega Has New Members

Nine new members were initiated into Alpha Psi Omega, national honorary dramatics fraternity, Saturday morning.

The new initiates, who have all had major roles in drama productions here are Gail Bullis, Linda Brinton, Marcia Hensleigh, John Hoffman, Richard Heinz, Jerry Eisenhower, Marilee Crockett, Anne Nielson, and Carole Sinclair.

At their meeting, the group named Cheryl Reineke the best actress, Richard Heinz the best actor, and Harold Webb the best technician for this year.

New officers elected for next year are Heinz, president; Webb, vice president; Miss Nielson, secretary; and Eisenhower, treasurer.

The Enemy Moves In

There are approximately 700 Greeks on the Northwest Missouri State College campus. These people evidently cared enough about their candidates and student government to vote in the recent election.

More than 2,000 independents are on campus. Judging from the results of the student body election, one may conclude that many of these individuals apparently do not care about their campus enough to vote.

A recent quotation in the *Missourian* praised the good turnout for elections. Since when is 33 1/3 per cent of the student body an excellent percentage of voters?

Does the student who does not vote have the right to complain that the Senate does nothing or does too much? How can an individual conscientiously voice his opinion verbally on what is wrong and what should be done and then not bother to voice his opinion by casting his ballot?

Isn't it time that the other 2/3 of the Northwest Missouri State College student body realize they have a responsibility to care about what goes on?

The worst enemy this campus has is not conservatism or lack of freedom or "too many kooks" — It's apathy! —Concerned Voter

Student Forum

The *Missourian* staff was pleased to get the following compliment about NWMSC in a recent order for a new subscription:

"Our daughter and son-in-law, Mr. and Mrs. Richard Stuart, graduated from NWMSC last May. Needless to say, we are proud of them and of NWMSC—A very progressive and wonderful college.

"Our son is now a junior and also enjoys all his studies and activities there."

The facts seem to substantiate the apparent truth in the statement "Good things come in small packages."

One has only to call to mind all of the wonderful moments that result from things wrapped in small packages. Remember the gleeful, sparkling-eyed look radiating from the face of the young woman who discovered the small box contained an engagement ring, or the thunderous

Disciplinary Group Approves Proposals Of Traffic Court

The student-faculty disciplinary committee this week passed a recommendation made by the Student Traffic Court as follows:

(1) Multiple tickets will be dealt with by the semester rather than by an entire year as is currently done.

(2) The time for parking in the library parking lot has been increased from 15 to 30 minutes.

(3) Off-campus registration of cars will be for an entire year rather than by semesters.

(4) On-campus parking permits will remain on a semester basis.

Dean Thate Offers Help

In Solving Enrollment Problems

Misunderstandings coming from anxiety - plagued students concerning the new catalog changes has prompted Dean Thate to assure presently enrolled students that the new policies will not jeopardize their work.

Dr. Thate has stressed that the changes in the new catalog center mostly around the general studies requirements and the major and minor course sequences.

There have been additions as well as deletions to the requirements. For example, the humanistic studies requirement has been increased but has been somewhat liberalized. Whereas, in the past, Humanities I and II were both required to fulfill this requirement, in the new catalog such courses as some in literature, drama, philosophy, and Western civilization, can be elected to fulfill the requirement.

Dean Thate states further, "In some cases, course substitutions may be necessary for students remaining with the old catalog. However, this practice should not occur very often, and when it does occur, it generally will not increase the student burden.

"I genuinely believe that most of the limited changes that will be necessary will work to the students' advantage rather than to their disadvantage. Certainly no student need concern himself unduly with the new change in the catalog. The changes that have been made have been made with the best interest of the student in mind, so we shall keep the best interest of the student in mind in bringing about the transition to the new catalog."

Currently enrolled students may elect to finish their degrees under the policies and requirements imposed by the new catalog if they wish, Dr. Thate added.

He likewise encourages any student who has a specific question relative to his own personal program to come to his office to have the problem resolved.

PARKING DURING EXAMS

Student parking regulations will be enforced during examination week the same as during the regular academic class weeks.

Reminder of this continuing ruling was issued this week by Bruce Wake, adviser to the Student Traffic Court.

Meeting Is Scheduled For Student Teachers

An important meeting of all students who plan to do student teaching in the summer of 1967 and the fall of 1967 will be held at 4 p. m. May 18 in the Horace Mann Auditorium.

It is essential that these individuals attend.

Dialogue Plans For Next Year

Dialogue met Monday evening to discuss plans for next year.

Guest speakers from other campuses will be on the agenda for next year's meetings. Dialogue hopes to learn about other campuses' problems and solutions, through these speakers.

The group discussed ways in which they could stir more active participation in student elections and campaigns. They pointed out that more defined issues should be brought out in a party's platform during Student Senate elections. Other campus elections including selection of cheerleaders were also discussed.

The powers of the Student Senate and student disciplinary committees were discussed and commented on by members of the group. They discussed ways in which the disciplinary structure might be improved and penalties made more consistent.

The next meeting of the group will be at 6 p. m. Monday, Sept. 18.

'Sandpiper,' 'Von Ryan's Express' To Be Featured Tonight, Tomorrow

Two Den movies, "The Sandpiper" and "Von Ryan's Express," will be shown this weekend.

"The Sandpiper," starring Elizabeth Taylor and Richard Burton, will be featured at 7 p. m. tonight. The movie takes place on the Big Surf coast of California where a married minister (Burton), head of a boys' school, meets artist (Taylor), who communes with nature.

The artist's young illegitimate son is required by law to enroll in Burton's school even though his mother believes he should be a free spirit away from the corrupting influence of civilization. Much soul-searching goes on before Burton and Taylor embark on a love affair that ends in due time.

Tomorrow night's movie is "Von Ryan's Express," starring Frank Sinatra, Trevor Howard, and Edward Mulhare.

Air Force Colonel Ryan (Sinatra) is interned in an Italian POW camp joining a handful of GI's and the remnants of a British regiment under a fiery major (Howard). When, as senior officer, Ryan is expected to lead the current escape attempt but instead makes an uneasy peace with the Nazis to get supplies for sick, starving men, he is nicknamed Von Ryan.

When Italy surrenders to the Allies, Ryan directs a pulse-pounding plan to get the men to the Swiss border, taking over the train into which the Nazis had herded the prisoners.

Den movies are shown at 7 p. m. in the Administration Building.

4 Hurlers Lead 'Cats to 12-2 Mark

'Cat moundsmen have marched the NWMSC team to a 12-2 season going into this week's competition. Coach Burton Richey's top hurlers are Vic Mitchell, 11 innings, 1-0; Scott Kurtz, 26 innings, 3-0; Don Orlowski, 23 innings, 3-0; and Don Sears, 27 innings, 4-1. Several games have been rained out this spring.

Kavanaugh Sets Mile Record For NWMSC at Graceland

Distance man Kent Kavanaugh established a new mile record of 4:23.6 in NWMSC's second-place finish Saturday at the rain-soaked Graceland Relays.

Host team Graceland won the event with 78 points, and the 'Cats earned 64 points. Maryville was also second last year.

Kavanaugh, whose best previous time this season was 4:29, lowered the 4:25 mark held by Wayne Taylor since 1940. Kavanaugh, considered one of the school's strongest runners, ran two miles and two half miles Saturday. His time in the open mile earned him a second place.

First place trophies went to the winning Maryville 440, 880, and mile relay teams. Pete Hager, Normal Howlett, John Banning, and Phil Frahm composed the one and two-lap relay teams, which turned in times of 43.4 and 1:30.4. Pete Meindersma, Hager, Howlett, and Frahm were members of

the four-lap team, which was clocked at 3:24.3.

Sprinter Pete Hager was the only individual winner for Coach Earl Baker's squad. He again won the 100-yard dash. Others who placed were: Howlett, second in the broad jump and fifth in the 100; Gary Hansen, third in the discus; Mitch Hanna, fifth in the javelin; Stan Carlson, third in the high jump; Perry Courtney, fifth in the high jump, and Marty Schwarz, fifth in the high hurdles.

In addition, the sprint medley and the two-medley relay teams finished third and the distance medley squad was fourth. Rocky Reed, Clay Alumbaugh, Lew Garrett, and Kavanaugh comprised the distance team. Meindersma, Banning, Frahm, and Kavanaugh were members of the sprint medley, and the two-mile team included Reed, Meindersma, Garrett, and Kavanaugh.

Coach Baker has taken the squad to Cape Girardeau for the MIAA Conference Meet. According to Coach Baker, Kirksville, Cape, and Warrensburg should be the top contenders for the championship.

"The Graceland meet gives us a boost for the conference meet. Physically we're prepared for the meet, and we have a good mental attitude," the coach added.

'Cats to Challenge Mules for Title

The Bearcats are poised to pounce on the Warrensburg nine when they make a bid for the Northern Conference championship here in a 3-game series today and Saturday.

The 'Cats have a 6-0 record and the Mules stand 2-0. Either team must win two of the three games for the best percentage and the championship. Today's game will start at 3:30 p. m., and Saturday's doubleheader will begin at 1 p. m.

Coach Burton Richey's Bearcats have been idle since Apr. 29 when they took three games from Kirksville. Rain has plagued the 'Cats all season and has forced them to rely on practice to keep sharp.

The Kirksville Bulldogs, holding a 0-8 mark, have provided the only conference competition for the 'Cats. Coach Richey hopes the team can regain the needed momentum to bring home the championship.

Kansan to Give Pre-Natal Health Lectures Here

Dr. Evalyn Gendel, staff member, Kansas Department of Health, will be a guest lecturer on campus Monday.

The guest speaker has done much research on the relation of exercise to pre-natal health. She is assistant director of maternal and child health for Kansas. Her two addresses, scheduled for 11 a. m. and 1 p. m., will concern her findings on the research problem.

While the lectures have been arranged primarily for women physical education majors, any one interested is welcome to attend. Both biology and men's physical education majors have been invited to the lectures.

Mrs. Dorothy Walker, instructor of women's physical education, has made arrangements for Dr. Gendel's lectures.

Conservancy Group To Meet on Campus

The Missouri Chapter of the Nature Conservancy will hold its annual meeting on the NWMSC campus this weekend. The sessions are open free to students.

Friday evening slides of Missouri's natural areas will be shown at 8 o'clock in the audiovisual room of Wells Library. Saturday sessions will begin at 9:30 a. m. in the East Blue Room of the Union.

John Sullivan, director of field operations of the Nature Conservancy in Washington, D. C., will be the guest speaker at the Saturday evening banquet scheduled for 7 p. m. Those who desire to attend the banquet may make reservations by calling 582-4630.

Sunday morning at 8 o'clock students are invited to meet in the south parking lot of the Fine Arts Building for a field trip to view the loess mounds near Squaw Creek National Refuge.

Bearcat 'B' Team Has 5-1 Season Record

The Bearcat B team recently won both games of a doubleheader with Creston Junior College, 5-4 and 4-2, to finish its season with a 5-1 record.

Hal Rossow and Larry Allen, who struck out nine while allowing three hits, picked up their second win of the season. Ed Younger stole three bases, including home, in one inning.

Netters Conclude Season, Enter Conference Matches

A strong NWMSC net squad has finished its regular season with a 9-3 record and is participating in MIAA conference competition at Cape Girardeau today and tomorrow.

Wins for the Bearcat courtmen this season include victories over Midwestern College, Park College (2), Washburn, William Jewell (2), Rockhurst, Warrensburg, and Clarinda. Defeats suffered by the 'Cats were at the hands of Parsons and Graceland (2).

Standing individual records prior to this weekend's conference play are as follows: Bruce Horrell won 4, lost 7; Dick Schilling, 8-3; Bob Schilling, 9-1; George Varchola, 9-1; Jim Crozier, 7-4; Paul Menhart, 10-1; and Alan Coleman 2-1.

The three leading doubles teams had records as follows: The Schilling brothers, 6-2; Horrell and Varchola, 5-2; and Crozier and Manhart, 8-0.

Thursday morning the Bearcat netters left for Cape Girardeau and the 1967 MIAA conference matches. Opponents were not to be decided until all teams had arrived. However, the 'Cats were slated to begin competition yesterday at 8 a. m.

Strong contenders for this year's crown are Northeast Missouri and Southwest Missouri State. Kirksville and Springfield are both returning

to conference competition with teams nearly intact from last season. Kirksville was last year's MIAA Conference Champion.

"We hope to make a much better showing this year than last," remarked tennis coach Bob Gregory prior to leaving for the matches early Thursday.

Cheerleaders Conduct High School Workshop

Varsity cheerleaders conducted a workshop Saturday for students in the newly consolidated Gower-Easton High School.

The six recently chosen NWMSC cheerleaders who participated in the workshop included Linda Snell and Dottie Wilson, recently named head cheerleaders, Gloria Sherman, Cheri Jordan, Kathryn Seabaugh, and Cathy Pierce.

After the workshop the varsity group selected the high school pepleaders for the coming year.
